For everyone that wants to play, we are having a mandatory parent meeting/sign up on Friday, January 27<sup>th</sup>, 7:00 pm at Mountain View Middle School in Blackfoot. We will have our sign-ups following the meeting. Call Ryan Woodland (419-9915) if you have any questions. Be sure to like our Facebook page “BINGHAM UNITED RUGBY” and get the latest announcements and news about our team. Or on our web page at <https://sites.google.com/view/binghamunitedrugby>

\* **ALL** registration costs must be paid upfront before a player will be allowed to play in a game. We will have a couple of fundraisers that **ALL** players are required to participate in where they can be reimbursed for registration costs. To register, go online to [www.rugbyidaho.com](http://www.rugbyidaho.com) and follow the link to player registration, you will need to set up a free account. This will take care of the USA Rugby Registration and the Rugby Idaho League Dues. This online registration is open now and can be done anytime. You can pay the entire \$116 at once or choose to make payments. All other costs (gear, etc.) will be paid directly to the team; except for team apparel, which will be paid online through our online store. (<http://www.myfanstand.com/Showroom/BinghamUnitedRugbyFootballClubOther/450967>).

\*\* If you are interested in getting a practice jersey, our old game jerseys are available for \$30 each. Availability & sizes are limited – first come, first served.

† We take player safety very seriously. We require that every player undergo a concussion baseline screening (prior to starting full contact practices in February) to assist in safe return to play, should they become injured during the season. If the player played for us last season or has had a concussion screening done previously through a school sponsored sport, this may or may not be required. Our team trainer will make that determination.
